

ST. HELENA UNIFIED

High Expectations Lead to High Achievement

March 16, 2020

The plan below for children was created by photographer Jessica McHale in response to the COVID-19 epidemic. This schedule received recognition from the Neuropsychology Education Services for Children (NESCA) and the Behavior Code of Harvard Education. As we know, consistency and predictability are important for children during this stressful time, so we wanted to share this schedule with our families.
